Allowable Subject Matter

Claims 1-10 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose a process as called for in claim 1, in which adamantane having a APHA color of 5 or lower is produced by isomerizing trimethylenenorbornane by steps as recited in the claims. The closest art of record - Honna et al (3,944,626) - discloses a process as discussed in the previous office action. However, Honna does not disclose several steps which are required a product as required in the claims. These steps are described and argued by applicants in the specification and arguments.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thuan D. Dang whose telephone number is 571-272-1445. The examiner can normally be reached on Mon-Thu.
